INCIDENT BULLETIN — April 2016

036. Hurricane ride maintenance worker fatality

In April, a maintenance worker conducting routine inspections on the Hurricane ride at the Miami-Dade County Fair & Exposition in the US was killed. At the time of writing the exact cause of the incident was still to be confirmed but this is a reminder to operators to lock off rides to ensure they are isolated prior to an inspection. The attraction is a KMG Fun Factory ride.
